## Blanket Consent for EOTC

I give my general approval for the student enrolled to participate in off-site programmes of learning, within his or her normal classroom time allocation and approved by the principal.

Education Outside The Classroom (EOTC) is the name given to all events/activities that occur outside the classroom, both on and off the school site. This includes sport.

Our school believes in using a range of environments and experiences to enhance our students' learning.

We have ready access to the beach, rivers, mountains, and the bush in our area and beyond. We are also close to various built environments in our community. These areas are rich learning environments for our students both in and out of school. They need to learn how to be safe. Our school also values the concept of providing students with opportunities. Thus some of the learning for students occurs beyond the school site and this document is seeking your consent for your child/ren to participate in such learning

The Ministry of Education's **EOTC guidelines** identify four EOTC activity types, each with recommended types of parental/caregiver consent. In brief they are:

Type of event	Description	Type of consent
<b>A</b>	On site- in the school grounds (i) Lower risk environments Eg Linwood College Athletics (ii) Higher risk environments*	(i) <b>No consent</b> sought or <b>blanket consent</b> (ii) <b>Separate consent</b> for each event or programme
<b>B</b>	Off-site events in the local community occurring in school time. (i) Lower risk environments Eg Year 7+8 Tuesday Weekly Sport and Tournaments (ii) Higher risk environments*	(i) <b>Blanket consent</b> at enrolment. (ii) <b>Separate consent</b> for each event or programme
<b>C</b>	Off-site events - finishing after school finishes (i) Lower risk environments Eg Year 7-13 School Sport Off-site (ii) Higher risk environments*	(i) <b>Blanket consent</b> at enrolment. (ii) <b>Separate consent</b> for each event or programme
<b>D</b>	Off-site residential overnight events (i) Lower risk environments (ii) Higher risk environments*	(i) <b>Separate consent</b> (ii) <b>Separate consent</b> for each event or programme

\*Involves risk assessed to be greater than that associated with the average family activity.

**All EOTC activity categories** require staff to undertake an analysis of the risks, and identify the management strategies required to eliminate, isolate and minimise the risks. Emergency procedures are also in place.

## Student Athlete Uniform Contract

At Linwood College we take pride in our sports uniforms and are endeavouring to replace and renew some codes uniforms.

Students who are a part of a sports team will now be responsible for their uniform over the season. They will need to return the uniform at the end of the season game. There will be an accurate record of each jersey number/size. Student athletes are also required to pay a \$10 bond to the payments office.

If the uniform is not returned at the final game of the season or during the subsequent next school week then the school reserves the right to charge the student for this. Uniforms range from \$80-\$100.

I \_\_\_\_\_ agree to the terms above and will return my uniform after the seasons end

Signed \_\_\_\_\_ Date \_\_\_/\_\_\_/\_\_\_\_\_/

I \_\_\_\_\_ as the parent or legal guardian also agree to the above terms for my child's involvement in Linwood College Sport.
