

LINWOOD COLLEGE COURSE COST FOR 2019

To help families budget and to offer students wide range of learning experiences, a contribution towards subjects is requested. Unfortunately, Ministry of Education funding covers basic needs only. Please feel free to make contact with Kerry Fraser at the Payments Office. All payments should be paid to the Payments Office, and may be paid by cash, cheque, eftpos, automatic payment or internet banking. Receipts are generated for every payment and given to students at the time of payment.

Please note, some are charges (those with an * asterisk beside the price) and some are contributions.
